## MENU

Concerning our gastronomy, a far cry from static menus, here you will discover a choice that follows the seasons and the market stall. The chef is passionate about his vegetables and uses local producers to source the best Provencal products. You can also discover our menus themed around the best seasonal produce.

This offer includes a gastronomic dinner with our seasonal menu with 5 courses, excluding drink: one starter, two main courses, cheeses and dessert.

## DETOX JUICE

Consisted of fruits and fresh vegetables pressed, our detox juice are real natural remedies thanks to the quantity of nourishing main things which they contain.

They are real cocktails well-being, they boost and clean the body, so that you kept in shape...
